

# 6500 Watt Gas Inverter Generator

Ideal back-up power for solar systems, RVs and cabins, this generator runs on petrol gasoline and comes with remote start.

## KEY STRENGTHS

- Remote Start + Manual Push Button Start
- Wheels and Suitcase Handle for Easy Mobility
- 5kW Rated Power/6,5kW Peak Power
- Fuel Type: Gasoline
- Super Silent
- EcoMode and Inverter Technology

Technical Specifications	
Rated AC Output (W)	5kW
Max AC Output (W)	6,5kW
Rated AC Voltage (V)	120/240V
Frequency (Hz)	60HZ
Engine Type	Single cylinder four stroke, overhead camshaft
Displacement (cc)	223cc
Ignition System	TCI
Starting System	manual start+remote start+electric start

Fuel Type	Unleaded Gasoline
Fuel Tank Capacity (L)	12L
Oil Capacity (L)	.6L
Continuous Operating Hours	6.7h
Noise Level (dB(A)/7m/rated power)	68.3
Overall Dimension: LxWxHin	23*15*22
Net Weight (lb)	86
Gross Weight (lb)	91
